Mediation in the Entertainment Industry

The entertainment industry is a relationship business. Producers, writers, directors, and many other creative professionals come together to "make magic" At times the magic fails. Partners, employees, freelancers and distributors, often with their different interests, need to find ways to resolve conflict so that the show can go on. At Thursday's lecture, Ms. Berry, an entertainment attorney, will discuss how ADR is used to get projects moving again.

Thursday, April 3, 2008 at 12:15 pm
William S. Boyd School of Law
Room 110
