

Douglas E. Nordlinger, Esq.

Skadden, Arps, Slate, Meagher & Flom (UK) LLP
Partner, Energy and Infrastructure Projects

Skadden's 24 offices around the globe serve clients in every major financial center.

One hundred and nineteen Skadden attorneys have been listed among the world's leading lawyers in Chamber's *Global: The World's Leading Lawyers for Business 2011*, published on March 21. The firm and its lawyers received 72 top-tier rankings.

International Legal Practice

Interested in International Law? Mr. Nordlinger will be speaking to students about the prospects of the field, the areas of need within the specialty, and the ways in which current students can make themselves stand out as applicants upon graduation. Whether you are considering an internship, planning for interviews, or thinking about studying abroad—take advantage of this opportunity to speak to and hear from a leading attorney in the field.

Mr. Nordlinger represents clients in a broad array of corporate, commercial, and finance-related transactions, with a particular emphasis on the energy industry and other infrastructure projects. In the course of his more than 27 years of practice on matters that have spanned the globe, Mr. Nordlinger has advised clients in connection with mergers and acquisitions, joint ventures, structured and project financing, commercial agreements, project development, and dispute resolution. Mr. Nordlinger currently lives and works in London, but his work has taken him to Europe, Asia, Africa, and South America and he continues to frequently travel internationally as a Partner with Skadden, Arps, Slate, Meagher & Flom (UK).
